

SHARLENA WOOD

Sharlena Wood is an experiential creator inspired by the beauty of the natural world and the wonders of possibility. She has a passionate and joyful approach to life and the creative process. One of her projects involved inventing 'hybrid animals', "I took on a theme that challenged my imagination, to personally evolve and share the evolution of wild ideas! Some hybrids are quirky & fun, some deeply meaningful. All created with much thought and heart, and will surely inspire!"

CHALLENGE

Can you invent your own hybrid animal? Choose the features of different animals to bring together in your own unique creation.
