

Bee an Eco-Hero!

Last year, members of the Eco Council created a whole school Eco-Code, encouraging everyone in our school community to play their part in caring for our environment.

Are you making sure you turn off taps and switch off lights when they are not in use?

Do you know the 5Rs and are you ensuring that you implement them whenever possible?

Take a look at our Eco-Code to find out how you can make a difference.

Edinburgh's Eco-Code! Recycle :)

E Everyone contributes to the Edinburgh eco community!

Don't litter, or the world will become bitter

If you waste, the Earth will lose its taste

No single use plastic - it's suffocating our environment

Be an eco hero and save our planet!

Use less energy! SWITCH IT OFF!

Refuse, Reduce, Repair, Reuse, Recycle

Giving up to it's an option!

Helping our global home is everyone's priority

!

Bee an ECO HERO!
