Newsletter 02

Friday 11th September 2026

Dear Families

Our first full week of the academic year has been wonderful. It always amazes me how quickly children settle into new routine, and connect with their peers and new teaching team. Thank you for supporting this positive transition.

Over the next couple of weeks, you will be hearing about the whole school events we are planning.

Please remember that I am always available if you have any queries or wish to share any ideas to make our school even better for our children.

I hope you all have a relaxing weekend.

Best wishes

Ellie Green

EPS FREE Breakfast Club

EPS Breakfast Club is **FREE** for all families at the moment. Please come along from 08:00. Children enjoy a nutritious breakfast followed by a choice of calm activities, or energetic fun. It is a great way to start the school day.

We are hoping to have 40 children attending each day as this will help us to secure funding for the rest of the year.

NHS Flu Vaccination

All children in schools across England are offered the flu vaccination. The NHS team will be administering vaccinations at Edinburgh Primary School on 22nd September 2026. Last year, the school were commended for the high uptake of the vaccination. Please make sure your child is registered to receive this important vaccination, which reduces the risk of illness over the winter months.
